

7.1.1 Institution shows gender sensitivity in providing facility such as:

- Safety & security :

In the college campus so many facilities are provided for the girl students. So that the every girl student feel safe in the college. When the fresher students comes in college, they are so anxious for her safety. But the college gave her safety and security.

Well experienced securities available in all gates of college. Full college. Full college campus is under the surveillance of CCTV camera. Women PCR is also available for the securities of girl students.

UV treated RO water available in entire campus. If the any girl students got injured , there are first aid facilities are also available in the campus.

Students who are physically challenged, handicapped, campus provides her scooty and so many facilities.

(Anti-ragging Committee 2021-22)

(Anti-ragging awareness Camp)

Anti – ragging cell in the also provide in the campus so that the fresher student feel safe from the senior students.

(Vending Machine for girls students)

Campus follows legal legislation about student protection and safety. For the girl student, the campus provides her vending machine.

Counseling:

Adolescence is a period when individual is over whelmed by a number of simultaneous development, therefore, to meet this situation proper counseling is needed in this period.

The teacher and the institute can encourage the development of effective maturity in adolescents by providing the counseling.

(Counselling Session by Dr. Ajay Sharma from TITS Bhiwani)

To provide atmosphere in class/college that permit the students to admit the feeling she is experiencing.

Campus provides the counseling session to train students in self control of emotions. To provide with the variety of opportunities to participants college activities leading towards the acceptance of responsibilities.

All the staff members of college care for the girl students at the individual level both academically and emotionally.

We offer mentor class for 2nd and 4th Saturday in every month, with both academic and support services. These focus upon you as individual students and are a good opportunity to resolve concern or scope for additional recognition.

In the campus orientation course are organized for the new learners so that the every students get help to make their future in different course offered by college.

Some subject like psychology play an important role an important role to provide the counseling to new students.

Campus organizes camps, picnic .excursions and tours for the new students to provide them opportunities to understand each other and come closer.

To conduct training programs for the indentified staff and student counsellor and also providing with the variety identification of proper model and constructive base of expressing feelings.

The counselling sessions for the needy students through staff/ students/external expert counsellor.

- **Common Room:**

(External View)

(Internal View)

The college common room is a real paradise for the students. This is the place where students are absolutely free. Students enjoy their break time. They find relaxation and recreation there. Common room has a lot of book shelf and a huge amount of books regarding the syllabus and competitive exams are there.

In between the classes students have long conversation. If the debate is really hot, they make their contribution with an expertise confidence. In college common room a needy student has an opportunity to reveal all their academic cases and the dreadful fear for the examination. This is the place where academic attendant feel like they are master of their own fate and they can take the whole care of themselves.

Completely separate common room for the girl student is one of the basic feature of student support service of this institution.

The common room is well equipped with some basic feature like few indoor games, a small changing room different type of functions like rangoli making competition, slogan writing competition, different types of debate are being organized by different committees of the college time to time in this common room.

During science exhibition program also, the common room plays its vital role for display of models of various subjects there. Some subjects practical exams are also conducted there.

These activities make the common room always full of life and achieve. Every year farewell party are also organized in the common room and the rehearsal for different activities are also performed there.
